MARKETING EXPERIENCE

Penn State PIPELINE Program

Marketing and Strategic Communications Intern

University Park, PA
September 2024 - May 2026

- Ran the entire marketing function for a \$15M Navy-funded engineering program as its only marketer at full-time scope, building communications across web, social, email, print, and event channels and analyzing website and campaign performance to support strategy
- Managed the program's first multi-channel campaign calendar of branded posts, event promotions, sponsor-facing materials, and program updates across digital and print, and grew LinkedIn engagement 243% and followers 210% with 50,000+ impressions in one month
- Launched and owned the program's first email newsletter, built from scratch, published 20+ monthly issues over the full program run, and grew the list from zero to 200+ subscribers with career events, social events, community building opportunities, and student spotlights
- Improved website traffic 87% by updating Craft CMS pages and layout with SEO and accessibility, reviewed in Google Analytics

L'Oréal (Luxe Division – VICHY Dercos)

Content and Digital Creative Intern

Remote
January 2026 - May 2026

- Created a 360 campaign for Vichy Laboratoires, a L'Oreal brand, analyzing market research and competitive trends to translate consumer insights into brand positioning, creative strategy, media planning, and experiential recommendations with focus on creative direction
- Created the campaign's billboard mockups plus its street and print advertising concepts, then presented that creative work in weekly client meetings with L'Oreal's Senior Vice President, Head of Brand and Assembly Global's Client Services Director for the LVMH account
